

## ITIL® 4 Managing Professional Transition (MPT)

### Overview

The ITIL 4 Managing Professional Transition module is designed to allow ITIL Experts or ITIL v3 candidates who have already invested to easily transition across to ITIL 4. They can gain the designation of ITIL 4 Managing Professional via one course and one exam. The associated certification exam voucher is included with this course.

### Prerequisite Comments

To take the transition module, all candidates must be at Expert level or have a minimum of 17 v3 credits. Candidates can continue to collect their v3 Intermediate or Practitioner credits to enable them to be eligible to take the transition module when it is launched.

### Target Audience

Existing ITIL Expert qualification holders, and those who have 17 Credits with the ITIL credit scheme, wishing to develop their knowledge and application.

### Course Objectives

The purpose of the ITIL 4 Managing Professional Transition Qualification is: To allow candidates of the previous iteration of ITIL the opportunity of a straightforward transition to ITIL 4 in order to achieve the designation of ITIL 4 Managing Professional.

To provide candidates with an understanding of the new ITIL 4 Foundation concepts and definitions, including the key differences between the previous iteration of ITIL and ITIL 4 and how they can be practically applied.
